EDUCATION

University of Birmingham **October 2013-September 2017**

Doctor of Philosophy in Social Work

Postgraduate Certificate in Advanced Research Methods and Skills

- Thesis title: “Who Am I?”: An exploration of the identity development of young adult carers in the United Kingdom and United States
- Supervisors: Professor Saul Becker; Dr. Harriet Clarke

Regent University School of Psychology and Counseling **August 2010-May 2013**

Master of Arts in Community Counseling/Clinical Mental Health Counseling

- Accredited by the Counsel for Accreditation of Counseling and Related Educational Programs (CACREP)

Regent University School of Law **August 2009-May 2010**

Juris Doctor

- 30 credit hours of coursework

Vanderbilt University **August 2005-May 2009**

Bachelor of Arts in Psychology and English

- Honors: College of Arts and Science Dean’s List

TEACHING EXPERIENCE

Lecture on African-American youth caregivers, Sankofa Summer School **2022**

Designed and delivered online lecture entitled, “ ‘Sometimes I feel like a motherless child’”: Care and caregiving in the African-American youth experience” for Michelle B. Taylor (“Feminista Jones”)’s Sankofa Summer School

Video lecture series on girl youth caregivers, Alliance for Girls **2022**

Designed and delivered virtual lecture and discussion seminar series on various topics affecting girl youth caregivers from an interdisciplinary approach

Seminar on the mental health experiences of young carers, University of Sussex **2018, 2019**

Designed and delivered lecture and discussion seminar for postgraduate Masters-level childhood and youth studies students

Lecture on young caregivers and reflexivity in international comparative research, Sarah Lawrence College **2018**

Designed and delivered lecture course for undergraduate social science students

Lecture on young adult carers and international comparative social policy research, University of Birmingham **2016**
Designed and delivered lecture course for postgraduate Masters-level social policy students

Lecture on young carers, University of Birmingham **2015**
Designed and delivered lecture course on young carers for graduate and postgraduate qualified social work practitioners for the post-qualifying programme in Social Care with Adults

Seminar leader in Introduction to Social Policy, University of Birmingham **2015**
For first year students. Groups of 15.

OTHER TEACHING & MENTORSHIP EXPERIENCE

PhD Dissertation committee member **2022-Present**

- Stephanie Young, School of Nursing, West Virginia University
- Thesis title: *The influence of spirituality on quality of life in older adult caregivers*

HIGHER EDUCATION ADMINSTRATIVE & RESEARCH EXPERIENCE

Vanderbilt University School of Nursing **October 2022-Present**

Assistant Dean of Student Affairs

- Serve as the primary student advocate and referral source in responding directly to non-academic matters
- Functions as the VUSN leader in knowledge of university resources and familiarity with state and federal regulations pertaining to management of student records, privacy, and safety
- Responsible for providing vision, leadership, and strategic planning for student affairs programming that delivers support services, student life, and community engagement

University of Toronto **March 2022-Present**

Collaborator

- Named grant: *Recognizing, Identifying and Supporting the Engagement of Youth Providing Care: The RISE UP Project!*; Award amount: \$412,764 CAD, funded by the PSI Foundation
- This study seeks to understand how young carers interact with health system organizations including health care providers that care for their dependent family member and will also engage with young carers to identify types of support they might find helpful
- In my collaborator role, I function as an expert adviser on the execution of the project and help to examine emergent findings

Vanderbilt University **November 2021-September 2022**

Program Manager, Students for Health Equity (SHE), Nashville, Tennessee, USA

- Named grant: *Youth in the Kitchen: Promoting Healthy Eating through Cooking and Nutrition Programs for Youth and Families*; Award amount: \$77,589.40
- Designed and implemented a mixed methods research project on food security and nutrition education involving minority ethnic and refugee children in Nashville, TN; funded by the Cigna Foundation

- Created collaborative programming with community partners
- Administered surveys and evaluation tools, compiled and disseminated results
- Assisted with grant writing and grant submission process
- Managed supply purchasing, logistical details for all SHE projects, university travel and expense reporting
- Facilitated student worker hiring and training

National Alliance for Caregiving

March 2021- April 2021

Hunt Research Director, Washington DC, USA.

- Served as the primary project director for NAC research studies, including the Caregiving in the U.S. series conducted with AARP and its secondary reports, relationships with outside vendors, funders, partnering organizations, advisory committees, and researchers
- Managed a comprehensive research strategy to support policies and initiatives for unpaid family caregivers across the aging, healthcare, disability, and long-term care sectors.
- Supervised a diverse and growing research team and oversaw professional development opportunities for research staff
- Leveraged qualitative and large-scale quantitative data to translate high-level research for broad audiences, writing superior quality papers, reports and presentations based on data analysis
- Represented NAC at high-level convenings, conferences, and meetings
- Guided the incorporation of racial and gender equity and intersectional frameworks/analysis in research study designs and written reports
- Ensured that NAC's *The Circle of Care Guidebook for Caregivers of Children with Rare And/Or Serious Illnesses* (in partnership with Global Genes) and *Diverse Caregivers in the United States 2021 National Report* was delivered on time, within scope, and within budget

University of Sussex

January 2019- June 2021

Research Lead, Brighton, UK.

- Named grant: *Young Carers Aiming High: Young Adult Carers Access to Higher Education*; Funded by the Sussex Learning Network; Award amount: £6577
- Principal investigator of a mixed methods research project jointly managed with the Carers Centre of Brighton and Hove on the barriers to higher education for young carers
- Performed advanced, complex quantitative analysis and conducted qualitative, semi-structured interviews, and focus groups within the framework of Youth Participatory Action Research and co-production

University of Sussex

January 2018- June 2021

Post-Doctoral Research Fellow, Brighton, UK.

- Named grant: *Psychosocial Support for Promoting Mental Health and Well-being Among Adolescent Young Carers in Europe*; Funded by the European Union's Horizon 2020 Research and Innovation programme; Award amount: €3.9 million
- Leader of United Kingdom team for mixed methods research project designed to strengthen the resilience of adolescent young carers (AYCs), improve their mental health and well-being, and mitigate the negative influences of psychosocial and environmental factors in Italy, Netherlands, Slovenia, Sweden, Switzerland, United Kingdom.
- Responsible for the financial management of the UK budget of \$620,000 (£450,000); recruitment and supervision of multi-national based staff; survey design of first-ever

European cross-national profile of AYC's; research partnerships with schools and colleges UK-wide.

- Led as the UK clinical trial manager for the project's randomized control trial.
- Conducted cross-national policy analysis and drafted policy briefs; shared policy recommendations in invited keynote speech at the European Parliament.
